Re: Application of JACABB Utilities, LLC to Request to Establish Sewer Pass-Through Rates for JACABB Utilities, LLC and Approval of a Water System and Sanitary Sewerage Asset Purchase Agreement with Triangle Real Estate to Serve Rosewood at Clemson Development in the City of Clemson, South Carolina
Docket No. 2019-189-WS

Dear Ms. Boyd:

By this letter, the Office of Regulatory Staff hereby notifies the Public Service Commission of South Carolina that it does not object to JACABB Utilities, LLC's request for a temporary waiver of certain requirements¹ established by S.C. Code Ann. Regs. §§ 103-512.4 and -712.4 in order to allow JACABB's Application to proceed. Specifically, JACABB requests the Commission temporarily suspend the requirements to submit (i) a statement by a professional engineer that the system was built and installed according to plans and specifications, and (ii) a letter from DHEC approving the system for operation.²

ORS does not object to JACABB's request for a temporary waiver of the requirements discussed above. Thank you for your consideration.

Sincerely,

Jenny R. Pittman

¹ ORS's is only addressing JACABB's request for a temporary waiver found in Paragraph 15 of the Application.

² JACABB also requested a temporary waiver of the requirement to file a DHEC-approved construction permit; ORS understands that such permit was filed with the Commission yesterday.
